G Suite friEdOnline CERTIFICATION PREPARATION Online Courses

GOOGLE STARTER PACK

We love G Suite and we love learning, but nobody loves feeling overwhelmed or unsuccessful. Whether you're just getting started with G Suite or you're feeling overwhelmed by tech use and need a reset, the Google Starter Pack is the perfect course for learning the basics of G Suite and understanding working in the cloud and all it has to offer.

Courses...

Includes a voucher if needed for an exam.

GOOGLE LEVEL 1 Academy

This immersive online experience prepares educators for the Google Level 1 Certification through a series of fun and meaningful challenges. During completion of these hands-on challenges, educators will create products that simulate relevant work they will be able to use in their positions as educators. This course is designed for educators who are proficient in the G Suite tools and who want to achieve Level 1 Certification. This is a rich and varied online experience that will help teachers learn to meaningfully integrate Google tools into their instruction. This course includes a voucher for the Google Level 1 Exam which is required to attain official certification

GOOGLE LEVEL 2 ACADEMY

This online course prepares educators for the Level 2 Google Certification through a series of relevant and hands-on challenges. During completion of these interactive challenges, educators will create products that simulate relevant work they will be able to use in their positions as educators and take their Google learning beyond the core suite. This course is designed for educators who have completed the Level 1 course and have attained their Google Educator Level 1 certification. This course includes a voucher for the Google Level 2 Exam which is required to attain official certification.
