Our 3 hour interactive course includes everything you need to know about Google Classroom in 5 easy-to-follow lessons!

Let's break down Google Classroom in ... 5! Ok, not in five minutes but in 5 main categories with 5 action steps. This course will help you understand how Google Classroom can transform the way you use digital documents in your classroom.

Our hope for you is that by the end of this course you feel comfortable using Google Classroom with your students, whether it be in a blended, flipped, or distance learning environment.
